

Compliance testing results

Overall compliance	No
Stand-by/off mode power consumption compliance status	No
Energy label compliance status	No
Energy efficiency index compliance status	No
Automatic power down	No
Peak luminance ratio compliance status	No
On mode power consumption compliance status	No
Information requirements compliance status	Pending
Remedy actions: identified issues	
Remedy actions taken by manufacturer

Comparison of declared and measured values of the Energy Label

	declared values	measured values
On-mode power consumption	W	W
Annual energy consumption	kWh	kWh
Energy efficiency class		

Technical specifications

Presence of a home mode	No
Stand-by/off mode power consumption	W
Energy efficiency index	
Presence of a forced menu	No
Screen size (in inches)	
Display technology	
Backlight technology	
Hard-off power switch	No
Additional functions (HDD, multi-tuner, etc.)	
Website address	

Details about the testing process

Testing procedure	
Date of the test	January 1, 1970
Countries where model is/was available on the market	
Laboratory where model was tested
